Message from Director

**YOU CAN'T BUILD A
GREAT BUILDING ON A
WEAK FOUNDATION.
YOU MUST HAVE A
SOLID FOUNDATION IF
YOU ARE GOING TO
HAVE A STRONG
SUPERSTRUCTURE.**

THROUGH HISTORY, BUILDERS HAVE ALWAYS BEEN REVERED FOR THEIR ABILITY TO MOLD THE NATURAL ELEMENTS INTO SOMETHING NEW, PERHAPS SOMETHING NEVER SEEN BEFORE. BUILDING IS THEREFORE A CREATIVE ACT ON A MOMENTOUS SCALE.

About

OUR COMPANY

Corban Builders & contractors, a member of the Corban Group that provides general contracting, construction management & complete building and maintenance services to a broad range of commercial & industrial clients.

Being a great Company

Be Fast:

We aim to give you the quickest response time in the industry.

Be Global:

We aim to be a diversified, multi-national customer and supplier base

Be Connected:

We are in total collaboration within NHBRC regulations, Master builders association and with the marketplace.

Its not the beauty of a building you should look at; it's the construction of the foundation that will stand the test of time.

LENNY NAIDOO
Executive Director

OUR SERVICE

We aim to provide our customers with valued construction solutions using our expertise in the design, manufacture & installation of building components.

Why Choose Us

QUALITY FOCUSED

Quality and design with the customer in mind. We pride ourselves on using the best materials, the best building techniques and the best people.

TRUSTED COMPANY

Our reputation has been building for over 20 years. Builders come and go, but you can count on Corban Builders & Contractors to see you not only through, but beyond the building process.

CREDIBLE

NHBRC Registered
We ensure quality home building standards through regulation.

COMPETITIVE & FAIR PRICING

We don't believe that quality has to suffer in order to receive a good price. Quality workmanship at a fair price is what we strive to provide.

Our Services

We offer the following:

Complete building & maintenance

We specialize in complete building & construction including Residential, Commercial construction & retaining walls.

Plumbing & waterproofing

Our team of highly experienced plumbers are always ready to assist from fixing, installation & testing from start to finish. We also specialize in waterproofing of buildings & showers (Commercial and industrial.)
